

Format for the Final Examination for Chem 4540 Enzymology
(W'03)

1. The final is **cumulative** and includes all the material discussed in class, the 5 problem sets, and the course notes, but **not** the laboratory component of the course.
2. The examination will be closed book. You will need a pen, a ruler, and a calculator.
3. The final exam will be 2 hours (120 min) in duration and will be administered in **C&M 260 on Monday, April 14, 2003 from 8:30 am – 10:30 am.**
4. Part A: Six (6) questions that require a definition, each worth 2 marks (total = 12 marks).
5. Part B: Eight (8) short answer questions similar to previous quiz style and format (2 marks each, total = 16 marks).
6. Part C: Three (3) calculation questions worth 3 marks each (total = 9 marks).
7. Part D: Two questions (multiple part) about the Case Study Enzymes worth 4 marks each (total = 8 marks).
8. The total marks for the final examination is 45.
9. The examination is worth 35% of your final mark for the course.
