

*Department of Chemistry*  
*In-Course Feedback Questionnaire*

Name of Professor:

Course Number:

Responses to this questionnaire will be forwarded directly to the faculty member teaching this course (or course section). The information will *not* be used in any formal performance evaluation. Rather the purpose of this questionnaire is to provide a mechanism for students to offer constructive comments and/or encouragement to their professor while the course is still in progress. It is for the mutual benefit of everyone in the classroom. Please take a few moments to answer some or all of the questions below.

1. Are my office hours okay?

Yes:

No:

Comment:

2. Can you hear me?

Yes:

No:

Comment:

3. How is my pace of presentation of new information?

Yes:

No:

Comment:

4. Are the assignment/quizzes/midterms applicable to what I teach in class? Do they help you to learn the course material?

Yes:

No:

Comment:

5. Do the assignments help you to understand the course material?

Yes:                      No:

Comment:

6. Are my solutions to assignments/quizzes complete and understandable?

Yes:                      No:

Comment:

7. Is the visual presentation of material (chalkboard, overheads, video link) okay?

Yes:                      No:

Comment:

Feel free to add any additional comments or suggestions. Thanks for your time. You may return this questionnaire to the Chemistry Main Office (C2-280), from where it will be forwarded to your course instructor.
